City of Bellingham
Current Construction Project

Railroad Avenue - Depot Market

Depot Market Square is a dynamic project that includes a large pavilion structure and two sheds on an existing parking lot. The project also involves street improvements including new street and pedestrian lighting, roadway resurfacing, bicycle racks and other enhancements. The site will be used to house the Bellingham Farmers Market and many other events, bringing people to the downtown core of Bellingham. In addition, a 900 foot part of the building will be leased to a full time tenant. The site will continue to be used for public daytime parking once completed.

Project Bid No: 20B-2005

Project Number: ES-0183

Project Schedule
- Awarded 8/15/05
- Anticipated completion: March 2006

Estimated Project Cost

- $2,325,622.00

Project Engineer

Ravyn Whitewolf, P.E.
Phone: (360) 676-6961
Email: rwhitewolf@cob.org

Contractor
Impero Construction

Sub Contractor
Blythe - HVAC, plumbing
Advanced - Electrical
Nelson Industrial - Steel Fabrication
