Whatcom Falls Park is a community park established in 1908. Facilities include two picnic shelters, playgrounds, a multi-purpose field, a basketball court, tennis courts, barbecues, picnic tables, restrooms, trails, interpretive displays, a fish hatchery and parking. The stone bridge is an excellent waterfall viewing spot. Educational signage about local fish is located at the fish hatchery.

A brochure detailing Whatcom Falls Park history and points of interest is available at the Cornwall Park office.

Bloedel Donovan Park is a community park established in 1946. Facilities include a community building, a pavilion, a preschool, playground, a swimming area and beach, parking, restrooms, trails, a basketball court, sand volleyball courts, multi-purpose field, a boat launch, picnic tables and barbecues. Located on impressive Lake Whatcom, it is a favorite beach hang-out in the summer.
