Arne Hanna Aquatic Center Patron,

The City of Bellingham Parks and Recreation is announcing program schedule changes with new facility hours coming to The Arne Hanna Aquatic Center on Monday, August 24, 2009.

Due to budgetary cuts, including staff positions, we will no longer be able to offer the same aquatic services and programs. For us to continue to operate, we must change with the economic times along with the rest of the City.

We will continue to strive to provide the citizens of Bellingham and surrounding area residents with the exceptional quality aquatic services and programs we have for the past 14 years with the means in which we have available.

Thank you for your continued support and patronage of the Arne Hanna Aquatic Center.

Lori Jacobson  
Aquatics Manager
