The Growth Management Act (GMA) allows amendments to the Comprehensive Plan only once a year, with certain exceptions. Bellingham’s Neighborhood Plans are a component of our Comprehensive Plan and are therefore subject to the once a year amendment limitation. The GMA also requires Neighborhood Plan amendments to be consistent with, and implement the Comprehensive Plan.

Types of Comprehensive /Neighborhood Plan Amendments

Site Specific: Property owners or their authorized representatives may apply for a proposed amendment to Comprehensive Plan / Neighborhood Plan land use designations relating to a specific site. Site specific proposals must be filed concurrently with an application for rezone.

Non-Site Specific: Anyone may apply for other types of amendments that involve non-site specific Comprehensive / Neighborhood Plan provisions.

Process Steps

Comprehensive and Neighborhood Plan amendments are considered under a two part process. The first part of the process establishes the list of comprehensive / neighborhood plan amendments (“the docket”) that will be considered in the annual amendment process. The second part of the process is a final review and decision on applications that were approved for inclusion in the annual docket.

1. Docket Application. Applications are due by April 1 of each year for review during the following year. Incomplete applications will not be accepted. An application consists of the following materials:

   - Docket Application Form.
   - Fee payment calculated at 10% of the total Comprehensive / Neighborhood Plan amendment fee.* The fee is not refunded if the proposal is not docketed. The fee is calculated as follows:

     (a) Site specific Comprehensive / Neighborhood Plan amendments:

     $1,594 base fee + $255 notice fee + $213 per acre over first acre ($12,750 max.) \times 0.1 = \text{fee due at docket application. Final fees will be calculated at the time the application is submitted.}

     OR

     (b) Non-site specific Comprehensive / Neighborhood Plan amendments:

     $1,594 base fee + $255 notice fee \times 0.1 = $185 due at docket application.

*Recognized Neighborhood Associations are exempt from this fee.

2. Establishment of the Annual Docket. All applications are screened together under the Type VI process to determine which proposals will be included in the docket of annual comprehensive and neighborhood plan amendments based upon meeting the docketing criteria outlined in Bellingham Municipal Code 20.20.030. Applications the City Council approves to include in the annual docket will then receive further consideration through a final review. The Type VI process is described in Bellingham Municipal Code 21.10.150 and includes:

   - Public hearing and recommendation to the City Council by the Planning Commission.
   - Public hearing and decision by the City Council regarding the list of applications that will be included in the docket of annual Comprehensive / Neighborhood Plan amendments.
3. Comprehensive / Neighborhood Plan Amendment Application. Applicants for proposals that have been included in the annual docket must submit a Comprehensive / Neighborhood Plan Amendment application within 30 days of the City Council docket decision or a date approved by the Planning and Community Development Director in order to continue to final review. Incomplete applications will not be accepted. If a complete application is not submitted by the deadline the proposal may be removed from the docket.
