

## CITY OF BELLINGHAM PUBLIC SERVICE GRANTS MULTI-YEAR PROGRAM CALENDAR

### HUMAN SERVICE PROGRAM

The Human Service Program has a two-year funding cycle. Requests for Proposals are issued in June, approximately six months prior to the start of the contract. Preliminary awards are made in September. Awards are finalized and contracts issued the following spring, a few months into the contract term. Second year contracts are pro-rated based on the available funding provided performance requirements are being met. No applications are therefore required, or accepted, for the second year of the biennium.
