RE: Fairhaven Highlands Permit Applications: PDC2005-00008, SUB2005-00024,  
WET2005-00026, VAR2005-00008, and SEP2005-00029

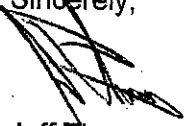

Dear Mr. Rinning:

The City received a letter dated March 21, 2011 from Robert Tull in response to a letter sent on March 1, 2011 reminding Mr. Tull of the March 30, 2011 deadline to either sign and submit the proposed amendments to the Agreement between the City and Greenbriar Northwest Associates (GBNA), with additional funds to complete the Environmental Impact Statement (EIS), or propose revisions to the Agreement for the City to consider.

It appears that the intent of the March 21<sup>st</sup> letter is to work on revisions to the Agreement so that work can resume on completion of the EIS. The City has agreed to meet with Mr. Tull on April 28, 2011. As stated in Mr. Tull's letter, at the meeting he would like to discuss alternative expenditures and appropriate revisions to the Agreement. The Agreement allows for a meeting with the City at the applicant's (GBNA) request when expenditures to complete the EIS exceed the contracted amount.

If you have any questions regarding this letter, please contact me at (360)778-8326.

Sincerely,

Jeff Thomas  
Interim Director of Planning and Community Development
