

City of Bellingham Current Construction Project

Woburn and Alabama Intersection Demolition

Project Description

This project includes demolition of the existing grocery store at the corner of Woburn and Alabama Streets. The property was acquired earlier this year for the future construction of additional turn lanes at this busy intersection. Demolishing the store is necessary in order for these improvements to take place as the store is partially in the City right-of-way. The new turn lanes will be constructed in 2007.

Project Bid No: 49B-2006

Project Number: ES-0322

Project Schedule

- Awarded: 6/12/06
- Anticipated completion: 25 working days

Estimated Project Cost

- \$30,243.60
