

## City of Bellingham Current Construction Project

### 2007 Annual Overlay and Storm Improvements

#### Project description

This project is part of an annual program that aims to maintain existing streets to protect the initial investment in the street and to ensure an adequate quality driving surface for mobility and public safety. Streets in various areas will be pulverized and resurfaced with new asphalt. Included with the project are minor storm water and concrete improvements that bring existing infrastructure up to current code.

**Project Bid No:** 40B-2007

**Project Number:** ES-0372

#### Project Schedule

- Awarded 6/18/07
- Working days: 60 days

#### Estimated Project Cost

- \$1,522,461.00

#### Project Engineer

Derek Holzl, P.E.  
Phone: (360) 676-6961
