

City of Bellingham Current Construction Project

2005—2006 Water Main Replacement Program

Project Description

This project replaces approximately 12,500 linear feet of ductile iron water main, 8" in diameter. The replacements are in the South Hill, Columbia, Lettered Streets and Cornwall Park neighborhoods. This project includes open cut installation, testing, and rehabilitation at various sites. Property owners will be notified prior to any scheduled disruption of service.

Project Bid No: 7B-2006

Project Number: EW-0107

Project Schedule

- Awarded 2/27/06
- Anticipated completion: 90 working days

Estimated Project Cost

- \$1,017,754.67
