

2011 METERED WATER RATES

Bi-Monthly Billing

Base rates for monthly billing are one-half of the bi-monthly base rates

Rates for the water service portion of your City of Bellingham utility bill are increasing effective January 1, 2011. Utility rate increases were approved by City Council in 2007 and are scheduled to take effect through 2012. For information about rates, billing, low-income senior and disabled citizen discounts, and payment methods, visit our website at www.cob.org/utilities.

SINGLE FAMILY

Includes single-lot duplexes
& resale services

NON-SINGLE FAMILY & IRRIGATION

Includes multi-family, commercial,
industrial & institutional services

Lake Whatcom Watershed Land Acquisition & Preservation Program Charge

Effective January 2001, the City Council approved an increase to water use rates to fund land acquisition and other land preservation measures in the Lake Whatcom Watershed to help preserve water quality. This watershed fee is in addition to flat/base rates above and is charged to all water customers.

WATERSHED

STORM WATER

Small Footprint	\$ 8.40
Medium Footprint	\$ 14.00
Impervious Surface* Greater than 3000 sq. ft.	\$.004666
	Per sq. ft. of total impervious surface

*Impervious surface is a hard surface area that either prevents or slows the entry of water into the soil. For a complete definition, see BMC 15.16.010.

By taking your car to a commercial car wash, preventing oil leaks, scooping and throwing away your dog's waste and reducing the use of chemical fertilizers and pesticides, you can dramatically improve the health of the Puget Sound.
