RE: Waterfront Futures Group Packet

Greetings and Welcome Back to the Waterfront Futures Project,

To help you prepare for your upcoming meeting on Wednesday, September 29, Allison Roberts and I have assembled a packet of comments received since June 24, 2004. Most of these comments respond to the recommendations contained in your presentation to the City Council and Port Commission at their June 24 Joint Meeting.

We have organized the comments by when they were received. This facilitated adding comments as the list grows. Comments and Comment summaries are in the first packet. More detailed comments are included as separate attachments also referenced in the Table of Contents.

Art Anderson, Lydia Bennett and I will be meeting next week to discuss the agenda for your meeting and how to make the best use of your time. If you have any thoughts on that, do not hesitate to call.

I look forward to seeing you on the 29th at 11 a.m. in the Port Commissioners meeting room.

Regards,

Patricia Decker
