COMMUNITY SOLUTIONS WORKGROUP
CONTINUUM OF HOUSING

“Identify key issues, and recommend strategies, actions, and solutions to address homelessness and the continuum of housing and service needs by fall 2017.”
Meeting 1 Summary – What We Heard

Various areas to focus our efforts – Challenges and opportunities in each

**Present**
- Providing more housing units and services to those who need it now

**Near-term**
- Helping the severely cost burdened who are in danger of becoming homeless

**Future**
- Enabling people who are currently in subsidized housing to transition out and remain stable in the community

**Long-term**
- Preventing future homelessness (breaking the cycle) by focusing on the next generation
Meeting 1 Summary – What We Heard

We need to balance polarities

Crisis response
Opportunity/Action
Bellingham-focused

Prevention
Strategy/analysis
County & small cities
Meeting 2 – CSW Agenda

The City focus is primarily on the first two boxes
WC Health Department will address parts of last two boxes in presentation today

**Present**
- Providing more housing units and services to those who need it now

**Near-term**
- Helping the severely cost burdened who are in danger of becoming homeless

**Future**
- Enabling people who are currently in subsidized housing to transition out and remain stable in the community

**Long-term**
- Preventing future homelessness (breaking the cycle) by focusing on the next generation

“Identify key issues, and recommend strategies, actions, and solutions to address homelessness and the continuum of housing and service needs by fall 2017.”
Housing Continuum – Inventory

Emergency Shelter → Transitional Housing → Nonprofit & Public Housing → Affordable Private Rentals → Homeownership
Bellingham’s programs along the Housing Continuum

**Emergency shelter**
- Motel vouchers
- Domestic violence shelters
- Youth shelters
- Homeless low-barrier shelter

**Transitional housing**
- Transitional housing for special needs groups (youth, domestic violence victims, etc.)
- Clean and sober housing for addressing addiction and chemical dependency
- Adult family homes

**Nonprofit & Public housing**
- Subsidized housing for low-income, seniors, disabled, homeless, families
- Permanent supportive housing for special needs groups

**Affordable private rentals**
- Incentives for rental unit production (tax breaks, fee waivers, etc.)
- Vouchers

**Home ownership**
- Homebuyer assistance (deposit & closing costs)
- Community Land Trust
- Home rehabilitation and low-interest loans for home repair
## Inventory Overview

### Emergency Shelter
- Lighthouse Mission/Agape
- YWCA
- Sun House
- DVSAS

### Transitional
- OC Dorothy place
- YWCA
- Interfaith coalition
- NWYS

### Nonprofit & Public Housing
- Bellingham Housing Authority
- Catholic Housing Services
- Greggie’s Place
- Citygate
- Opportunity Co

### Affordable Private Rentals
- OC Master leased and TBRA rental units
- Federally funded rental vouchers (VASH, SHP, Housing Choice, etc.)

### Home Ownership
- Kulshan CLT
- City of Bellingham homebuyer programs
- Opportunity Council manufactured home repair

*Note that rental housing typically serves those under 50% AMI, however in certain tax credit projects, it is not unusual to allow a portion of up to 80% AMI units.
Emergency & transitional shelter

Total estimated units = 249*

Estimated need

- The 2017 Point-in-Time count was 742 homeless individuals in Whatcom County. Of those, 299 were unsheltered.
- There were 941 households active on the Housing Pool last year.**

*Note that this does not include motel vouchers. Some units may include multiple beds, where other may be a single bed.

**From June 2016 to June 2017, varying month-to-month.
Estimated number of low income households needing assistance

- There were **11,542 households*** in Bellingham (including Geneva and Alderwood) with incomes below 50% of AMI.
- We estimate between a third and half, or **3,847-5,726**, of these households would need housing assistance.

*From 2009-2013 CHAS data. Adjusted for 5.26% population growth since 2013.
Public, nonprofit, and affordable rental housing for low-income households

2,815 units

1,786 vouchers

About 70% of these vouchers are used within the City; and of these some overlap with the housing listed to the left.
Home ownership

**Estimated need**

• In Bellingham (plus Alderwood and Geneva), there are approx. **6,610 households** making between 50-80% AMI.

• Assuming about a quarter of these are in need of assistance, this equates to about **1,650 households**.

**Estimated supply**

**1,127 homes** purchased or rehabbed to date

*From 2009-2013 CHAS data. Adjusted for 5.26% population growth since 2013.*
Adult family homes

At the time of the last Consolidated Plan (2012) there were 12 Adult Family Homes (AFH) in the Bellingham City limits.

Assuming each were licensed to serve up to 6 residents (as is standard), there was capacity to serve 72 disabled adults in our community.

Currently, DSHS lists 10 AFHs in the Bellingham City limits, capable of serving a total of 59 disabled adults (an 18% decrease).

Additionally, there are 17 more AFHs in Whatcom County, providing a total capacity of 95 beds.
Housing Continuum – Location

- Emergency Shelter
- Transitional Housing
- Nonprofit & Public Housing
- Affordable Private Rentals
- Homeownership
City of Bellingham housing cost burden

This is the percentage of households that are cost burdened (paying more than 30% of income for housing) by 2010 Census tract.
City funded low-income rental units

The Bellingham Home Fund supports the development of new rental housing units for households that earn less than half the area median income. In the first four years, the Fund has created 162 new units of housing and preserved 209 units of rental and transitional housing.
City funded homebuyer units

The Bellingham Home Fund has partnered with Kulshan CLT and the WA State Housing Finance Commission to help with downpayment and closing costs, and assist with new construction of homebuyer units.
City funded homeowner rehab

Bellingham offers financial assistance to low-income homeowners to repair their homes, and supports the Opportunity Council in their services to repair and weatherize owner-occupied manufactured homes.
Housing Continuum – Leveraging

Overall leveraging of City Levy funds is over $7 for every $1 spent. The degree of leveraging varies across the continuum.

- **Rental assistance & services**: 3:1
- **Rental/shelter preservation**: 3:1
- **Rental housing production**: 11:1
- **Homeowner programs**: 7:1
- **Homeownership**:
