PLAZA PRIORITIES

A new fountain will be included as part of the plaza redesign. Other amenities you've seen like lighting, public art, and seating will be included. As budget allows, these amenities could be enhanced beyond typical standards. **If you had to prioritize funding to enhance these amenities, how would you rank them in order of higher to lower priority?**

	higher priority ←			→ lower priority	
SEATING	31%	31%	26%	12%	121.5
LIGHTING	36%	35%	21%	9%	131.0
PUBLIC ART	26%	18%	29%	27%	101.75
BUS SHELTER	16%	13%	21%	51%	82.5
