Tuesday Evenings: Poop Patrol Events!

The ruff-ly 20,000 dogs living in Bellingham deposit nearly 15,000 pounds of poop every day, the equivalent weight of five mid-size cars!

Poop is a problem - It affects our parklands, streams and bay. *We are all part of the solution.*

Come join us for our Poop Patrol outreach events! We'll have games, prizes, dog treats, candy, scavenger hunts and more to help address the poop problem in parks. Let's work together to keep shoes and parklands clean!

Poop Patrols take place on Tuesday evenings. See our website for more information. Come join us!
