City of Bellingham

The **City of Bellingham** has offered the **Home Rehabilitation Program** since 1977! We have helped over 950 homeowners in Bellingham repair leaky roofs, unsafe wiring and other dangers.

## **CONTRACTORS WANTED**

The City of Bellingham's Home Rehabilitation Program (HRP) is looking for experienced remodeling contractors for renovation and repair of local area homes, within the Bellingham City limits.

The Home Rehab Program is now accepting applications from General Contractors who wish to be included in the list of contractors who are eligible to bid on rehabilitation work on single-family homes in Bellingham. Projects range from \$5,000.00 to \$40,000.00 plus. Repairs include foundations to roofs and everything in between; The Home Rehab Program maintains a flow of projects to bid on throughout the year.
