Bill Number

Subject: **Post Point Treatment Plant Biosolids Project Update**

Summary Statement: Building on previous biosolids options studies, the biosolids project team completed the Triple Bottom Line plus (TBL+) evaluation of alternatives to the current practice of incineration at Post Point. The project team received feedback at public open house events and through other public involvement processes consistent with the project's public involvement plan. Staff will offer an update on the TBL+ process and overview of the results of the public involvement process to date.

Previous Council Action: Committee of the Whole briefing on 4/10/17

Fiscal Impact: This action has no immediate fiscal impact. Costs associated with the consultant's work are included in the contract and approved budget.
