Find an address or name or place:

- 1 Type any keyword in the search box such as: **210 Lottie St** or **John Smith** or **Library**.
As you type, pause for keyword matches to appear

Get more information about a place

- 2 Choose the “I want to...” button and select “**Run a parcel report**”. Follow the step-by-step instructions to get a multiple page report about your site.

Print a map

- 2 Choose the “I want to...” button and select “**Print a map**”.

Change the map background

- 3 View aerial imagery, topographic layers, or elevation information

Find more tools

- 4 Explore more tools and map settings in the toolbar and tabs
