| JOB TITLE: | Code Compliance Officer | UNION:231 |
| CLASS TITLE: | Program Specialist | SG:6 |
| DEPARTMENT: | Police | CS:N |
| | | FLSA:N |
| | | EEO4CODE:PR |

JOB SUMMARY:

Code Compliance Officers perform work involving field investigation, observation and resolution of alleged or apparent violations of the Bellingham Municipal Code. The position is responsible for the investigation and documentation of apparent or alleged code violations, working with citizens and City personnel on resolution of compliance issues, development and preparation of case files for prosecution by the City Attorney, and the development and maintenance of appropriate records. Responsibilities include assisting and coordinating compliance activities with other City departments and other City, County, Federal and/or State agencies.

This is a non-uniformed civilian enforcement work under a limited law enforcement commission including the ability to issue citations. Focus of code compliance work includes: Nuisance code, street and sidewalk codes, environmental and land use regulations, codes and permits, water and sewer codes, parks regulations, handicapped access regulations, billboard/sign codes, fire, building, dangerous building and housing codes, and other similar City codes, and/or regulations as required.

SUPERVISORY RELATIONSHIPS:

Work is performed independently under the direction the Lieutenant in charge of Investigations in the Bellingham Police Department or his/her designee within departmental policies, procedures and guidelines. Guidance and strategic planning is provided by the Building Official and the City's Planning and Community Development Department. Work may be reviewed via oral and written reports as well as inspection or review of the following: field work, contact with the public, case files, case presentation and contact with other departments and/or agencies.

ESSENTIAL FUNCTIONS OF THE JOB:

Investigations

1. Conducts site visits, investigations, and review of records to evaluate circumstances in order to identify violations of codes, permits, and regulations.
2. Researches a variety of public and other records in order to verify business/property ownership, location or other relevant information associated with compliance.
3. Meets with developers, business owners, and residents to review violations, explain intent of the codes and gain compliance. Writes letters directing compliance on specified issues.

4. Determines whether there is probable cause to issue a citation; issues citations where appropriate.

Complaint Resolution

5. Applies knowledge of a variety of city codes, ordinances and regulations as required to resolve complaints or violations.
6. Notifies individuals of actual or potential code compliance violations and of corrective action required.
7. Provides information and education to citizens and interested third parties regarding code requirements, options and remedies.
8. Assists and/or coordinates code compliance work with operational departments and other agencies to resolve code issues and/or plan code compliance approaches.
9. Makes strategy recommendations for procedures to resolve violations and makes judgments regarding deviations from established procedures.

Report and Case Preparation and Disposition

10. Prepares and summarizes reports, records, evidence or other materials necessary for prosecution or other legal action under the direction of the City Attorney.
11. Testifies as required at hearings or court.

Record Keeping

12. In accordance with chain of custody requirements, establishes and maintains an orderly system of identifying, retrieving, preparing, securing, transferring, tracking, and storing a variety of, reports, records evidence and investigation/case files from originating department through disposition.

Planning

13. Coordinates efforts with other departments to ensure appropriate action and uniformity of interpretation, application and enforcement of regulations and codes.
14. Participates in regular inter-departmental discussions with Code Enforcement Committee to review or assist in reviewing, developing and/or modifying code compliance strategies, policies and procedures.
15. Proposes amendments to the specific city codes or regulations which would relate to the position and would enhance the City's enforcement capabilities.

ADDITIONAL WORK PERFORMED:

1. Performs other related work within scope of position responsibilities.

KNOWLEDGE AND SKILLS, AND ABILITIES:

Knowledge:

- Strong knowledge of the compliance requirements of a wide variety of municipal codes, regulations and ordinances including nuisance codes, street and sidewalk codes, environmental and land use regulations, codes and permits, water and sewer codes, parks regulations, handicapped access regulations, billboard/sign codes, fire, building, dangerous building and housing codes, and other similar City codes, and/or regulations.
- Knowledge of effective investigative techniques including the rules of evidence and evidence preservation techniques.
- Working knowledge of governmental functions and processes, including the legal system.

Skills:

- Oral communications skills to convey technical code information to lay persons, to explain agency procedures and consequences of code violations.
- Writing skills for the production of reports and correspondence.
- Strong computer skills, including word processing and database applications.
- Skill in photo documentation.

Ability to:

- Exercise discretion and protect privileged or confidential information.
- Work independently, to plan and organize work in an efficient manner.
- Display tact, diplomacy and the ability to gain cooperation from the public in the correction of code compliance deficits.
- Maintain composure when challenged and under stressful conditions.
- Establish and maintain effective working relationships with staff and agency personnel.
- Establish and maintain a legal and effective records systems for the code enforcement function.
- Ability and willingness to demonstrate the Public Service Competencies of Service Orientation, Results Orientation, and Teamwork and Cooperation.
- Maintain consistent and punctual attendance.
- Physical ability necessary to conduct field investigations, including:
 - Frequently operate a computer and read a computer screen or typewritten page;
 - Frequently communicate verbally;
 - Work outside in all weather conditions;
 - Move between work sites, which may include private property and construction sites with uneven terrain and slippery surfaces to investigate compliance issues;
 - Occasionally transport objects up to twenty pounds;
 - Correctible visual acuity and manual dexterity sufficient to operate a motor vehicle.

WORKING ENVIRONMENT:

Work is performed in both field and office settings. Field work can include construction sites, private property, and public property and can occur in adverse weather conditions.

EXPERIENCE AND TRAINING REQUIREMENTS:

- Bachelor's degree in planning, zoning administration, building/architectural design or a closely related field and a minimum of two years experience in code compliance, building inspection or similar enforcement.
- Four years experience in code compliance or similar enforcement, housing/building inspection, zoning, land use, planning or related experience may substitute for two years education.
- In place of the above requirements, the incumbent may possess a combination of relevant education and experience which would demonstrate the individual's knowledge, skill and ability to perform the essential duties and responsibilities listed above.

NECESSARY SPECIAL REQUIREMENT:

- Valid Washington State driver's license and good driving record. Candidates must submit a three-year driving abstract prior to hire, with periodic submission of driving abstract per City policy.
- Must pass a FBI records check and a polygraph examination.
