

## Cornwall Park Disc Golf Course

The object is to get from the tee to the post in the fewest number of throws. Each shot must be thrown from where it landed on the previous throw. Each player must successfully land their disc in the basket in the fewest number of throws. All streets and paths are OB, disc must be played from last point of contact in bounds (1 stroke). A disc caught in a tree above 6'6" is OB and must be played from directly underneath (1stroke). BE SAFE!!! If other park users are in your way, wait for them to pass.

## Play safe, have fun and respect others.
