WHATCOM CREEK TRAIL (WEST)

TRAIL DESCRIPTION

Easy paved and gravel trails. At Maritime Heritage Park, trails on either side of the creek lead to falls. Trails continue on both sides of the creek to Grand Ave., then follow one side or the other Railroad Ave. The bridge crossing the creek was damaged during a fire in November 2012 and is closed until funding for replacement becomes available. At the bridge, the trail forks right to Railroad Ave. The trail route continues along a street route: Ellis St., to Kansas St., cross State St. and follow Meador Avenue. Just before the I-5 overpass, trail continues along the creek to Whatcom Falls Park. Dogs must be on leash, except along the waterline trail in Whatcom Falls Park.

TRAILHEADS

Parking lot off C Street at Maritime Heritage Park. Many access points from downtown streets.
