

Bike Tour of New Facilities

October 25, 1pm

Meet at Bellingham High School

Try out Bellingham's new bike boxes, green pavement markings and shared lane markings as we ride from Bellingham High School to Barkley Village and back. Learn about great low-stress routes to get across I-5 via bike lanes and bike boulevard streets on an easy 5 ½ mile loop. Mt. Baker Bicycle Club members will serve treats at Barkley Village. City of Bellingham and Whatcom Smart Trips staff will lead the ride. Ride meets at the Bellingham High School main entrance off Ohio Street.

Children under 5 must be on their parent or guardian's bike (bike seat, trailer or tag-along bike).
