

## Bill McDonald Parkway Pedestrian Improvements

### Project Overview: ES-0474

The project will complete pedestrian facilities between the Samish Urban Village and WWU by constructing approximately 2,700 LF of sidewalk on the north side of Bill McDonald Parkway between Ferry Ave. and Byron Ave. The improvement will include associated driveway cuts, ADA facilities, and drainage improvements. This is a Tier 1 Project in the Pedestrian Master Plan.

[Transportation Benefit District No.1](#) revenue for non-motorized projects will fund this project.
