Senior\Disabled Discounts

Utility Bill Reduced Rates

Reduced rates are available for water, sewer and storm water utilities provided by the City of Bellingham. Customers are eligible for a discount on their bill if they are a low income senior, or disabled adult living in a residence receiving a separate City of Bellingham water or sewer bill. The following table provides the age and income requirements to qualify for a discount:

Age	Income
62+	\$42,043 or less
18+	\$42,043 or less and receive permanent Social Security Disability payments

Rate Reduction

Qualified customers receive a reduction on their utility bill by the following percentages:

Household Income	Percent Reduction
0 - 50% of the qualifying income	75%
51% - 75% of the qualifying income	50%
76% - 100% of the qualifying income	25%

Income

Single-family household income includes income from all persons living in the home. This includes income received from wages, retirement benefits, retirement income including IRA's, social security, supplemental security income (SSI), permanent social security disability income (SSDI), VA Benefits, interest income from savings, bonds, annuities, etc., gross rental income, gross business income, etc. Copies of tax returns with all schedules and supporting documentation must be submitted. If you are applying for a disability reduction, you must provide a current (less than three months old) statement of eligibility, plus the above requirements. You can call the Social Security office at 1-800-772-1213 to request benefit verification.

Application Process

To make application for reduced rates, fill out the [Application for Rate Reduction on City Utility Bills \(PDF\)](#) and place in the drop off box located outside of City Hall with a copy of all supporting documentation, for all members of your household, or mail to: City of Bellingham Finance Department, City Hall, 210 Lottie Street, Bellingham, WA 98225.

Notification of Change

Customers receiving rate reductions are required to notify the Finance Department immediately when household income level changes, disabled status changes, the house is sold, home is unoccupied, or the house is no longer the primary residence.
