JOB SUMMARY:

Deputy Police Chief serves as second in command of the Bellingham Police Department with responsibility for specific daily operations and services of the Department. Assists the Chief with long-range planning, budget preparation and collective bargaining. Acts as the personnel officer for the Department. Serves as senior member of the Department's management team. Directs all activities of the Department in the absence of the Chief.

SUPERVISORY RELATIONSHIP:

Reports to the Police Chief. Supervises assigned management staff and through them assigned personnel. Works under the United States Constitution and various federal and State regulations, inter-local and agency agreements, as well as the City's municipal code, policies, and procedures and labor agreements.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Acting in Capacity: Assumes command of the Police Department in the absence of the Chief of Police.
2. Operations and Services: Oversees assigned divisions of the Department including direct responsibilities for field law enforcement operations. Manages staff, programs, and operations. Provides technical and administrative direction, develops and monitors budgets, recommends policy and procedures, participates in collective bargaining and addresses issues and problems within assigned area. Coordinates the solution of personnel, fiscal and administrative problems through daily monitoring of total departmental activities and emergent situations requiring prompt action or special solutions. May be assigned to serve as Director of What-Comm 911 Dispatch Center.
3. Emergency Management: May be called to a major or other emergency scene at any time, including weekends, evenings or nights.
4. Departmental Budget: Under general direction of the Chief, develops and administers departmental budget, maintains fiscal control over expenditures, including purchasing of equipment and supplies, security and maintenance of equipment and assets, oversight of contracts for services. Ensures maintenance of appropriate financial records including accounts receivable, accounts payable, and payroll. Recommends financial policy and fiscal measures.
5. Program/Project Planning and Implementation: Serves as department project manager for major Police programs or project initiatives. Develops plans, garners personnel and other resources, facilitates teamwork, reports regularly to Chief and other City or agency officials, and takes

necessary steps to accomplish assignment and maintain and evaluate program and projects after completion.

6. Internal Investigations: In compliance with law, policy, and labor agreements, oversees the internal investigation of alleged employee misconduct including fact-finding, analysis, and recommendations regarding disciplinary action. Represents the Department at disciplinary hearings before the Civil Service Commission and for other quasi-judicial hearings and processes, as assigned.
7. Citizen Claims: In consultation with the City Attorney and insurers, investigates financial claims against the Department and facilitates the departmental preparation of the City defense and/or recommendation of settlement.
8. Contracts Management: Develops and submits for approval various Police-related contracts such as professional services, animal control, and other inter-agency agreements. Administers these contracts.
9. Grants Management: Oversees the development of various internal and multi-agency grant proposals, coordinating agency involvement and preparing proposals for submission. Manages implementation and evaluation processes in compliance with grant requirements. Develops fiscal and program reports as required in collaboration with the Police Administrative Coordinator.
10. Annual Report: As directed by the Chief, develops for review the departmental program and fiscal reports, including crime analysis reports.
